To Whom It May Concern,

Palmieri Construction Company has done numerous jobs on my 23,500 sq. ft. office building, my residence and my summer home. They have done both small and large projects in an efficient and timely matter. They do what they say they are going to do. I have recommended them to many of my friends who were more than pleased with the work. I recommend them to you.

Very truly yours,

Lester Fowler
